Coming soon. Dates to be announced.

## In-House Tournament

On Saturday, March 5th, we will be holding our Winter In-House Tournament. All students from the ages of 4 years old to 15 years old are encouraged to attend.

As in the past, we will be breaking down the events by age and rank so that all students will be competing with children of similar age and ability.

Several weeks before the tournament we will be handing out information sheets and tournament registration forms.

Events will be scheduled over the course of the day to allow us to keep things moving and minimize waiting time.

Each child participating will receive a trophy and a fist patch for recognition of their participation.

Our past tournaments have proven to be self esteem and self confidence building to all children participating. Additionally, the children get competition experience and learn what sportsmanship is all about.

It is our hope that each and every student will attend. Regular classes for that day are cancelled.
